Hi Naomi,

You may not need this anymore since we talked a bit about this on our last triennial review call, but I thought I'd send the comments anyway. Sorry for the delay. I've been out for a bit taking care of my dad's business.

I'm sending the file in track changes from home so I'm hoping you'll be able to see them okay. If not, I'll be in on Monday and we can chat more then.

Have a nice weekend!  
Kathy
